Dated 16th Septr. 1915.

My dear sir,

In confirmation of my telegram sent to you this morning, as per margin, I have to state for your kind information that it has been the continued practice, for years, for the Foreman, Government Branch Press, Mysore, to do all the printing works sent to him by my Office during Birthday and Dasara Festivities &c., using all along, Government Stationery therefor. But recently when a requisition was sent to him to print the copies of the Programme in connection with the ensuing Dasara Festivities, he stated that he had no orders to use Government Stationery and required that papers &c., may be supplied from my Department. If I had known this earlier, when I was at Bangalore, I would have spoken to you personally or written to you and settled the matter; and would not have troubled you with a telegram.

" Kindly arrange to authorise Foreman Branch Press here to use Government papers as heretofore for printing - copies of Dasara Programme - urgent. Official Communication follows ".

2. You are doubtless aware, that all the works, sent to the Press by my Office during the Birthday and Dasara seasons, are purely on account of state functions. I shall therefore thank you to kindly issue necessary instructions to those concerned, in the matter of Government Stationery being used as heretofore for works done here on account of my office, in future also and oblige.

With best regards,

Yours sincerely,

OFFICE OF THE DURBAR BAKSHI,
PALACE. MYSORE. 46

DATED 17th December 1915.

FROM

H. LINGRAJ URS, Esq.,
DURBAR BAKSHI.

The Palace, MYSORE.

To

D. M. Narasinga Rao, Esq., B.A.,B.L.,
Secretary to Government, General Deptt.,
BANGALORE.

Sir,

Adverting to correspondence ending with your official letter NO.G 4853/ G.P.8-15-28 of the 7th October 1915, and subsequent reminder, NO.G.6540 of the 28th Ultimo, enquiring if it was ever the practice to supply paper from my office for printing the works entrusted to the Foreman, Government Branch Press, Mysore, I have the honor to state that since I took charge of this office (October 1910) works on account of Dasara and Birthday Festivities and other miscellaneous works of this office, such as, printing of Docket Forms, Docket Covers, Letter Forms, Yadi Forms and supplying bound slip books &c., &c., have all been done by the Foreman, Branch Press, Mysore, invariably using Government Stationery. But it has been the practice for this office to supply, only note papers for printing " D.O. letter heads " and Envelopes for printing "D.O. covers."

2. When a requisition was sent from this office, as usual, for printing and supplying copies of Programme connected with the Birthday Festivities this year, the

Foreman

Foreman wrote and asked for the supply of papers from this Office: and when, in the same course, the Foreman was - informed by my office that it was not the practice to supply papers for the purpose, he used the Government Stationery and supplied copies.

3. Subsequently, when certain works connected with the office routine were sent to be executed on 10th June 15, the Foreman, Government Branch Press, insisted upon this Office to supply paper, on the score that it was the orders of the Superintendent, Government Press, that works sent from this office should be done on receipt of requisite quantity of papers. This was, therefore, duly complied with.

4. In the same manner, when a requisition was sent on 15-9-1915 to the Foreman to print and supply the required number of copies of Programme in connection with the recent Dasara Festivities, he again wrote and said that paper should be supplied from this office for the work, and that, if Government paper had to be used, orders, by telegraph, from the Superintendent, Government Press, authorising him to use Government Stationery, should be obtained. Thereupon, I was driven to the necessity of telegraphing to you to kindly issue orders to the Foreman in the matter.

5. Under the foregoing circumstances, you will kindly s [illegible]at it has never been the practice for this office to supply paper, on account of works got done at the Government Branch Press, Mysore, including those connected with the Dasara and Birthday Festivities of His Highness the Maharaja.

6. I may, however, venture to add that, orders of Government recently passed in your official letter NO. G 4104/ G.D. 8-15-19 of the 21st September 1915, on the subject, having

been final and clear, it is believed, that there will be no more trouble, in the future.

I have the honor to be,

S i r,

Your most obedient servant,

Durbar Bakshi.
